IS LUXURY A PRIVILEGE  
FOR THE FEW?

ATLANTIS

43

SETTING A NEW STANDARD IN HER CLASS!

MORE BEAM, MORE HEADROOM, MORE STYLE.

### Spacious.

FULL HEADROOM AREAS:

Cockpit: 6' 10" (2.1m)

Dinette & galley: 6' 3" (1.9m)

Internal storage: 4,160 litres

### Natural light.

The deck hatch, skylights and oversized side windows flood the boat with natural light throughout.

### Massive storage.

Hanging lockers, cupboards, storage units: there is a dedicated place for everything on board.

### SMART BOATING

The deck area is the real centerpiece of this boat.

Versatile and functional, it features two large sunpads, both big enough for three, one aft and one on the foredeck. The lounging area next to the helm transforms instantly into forward facing seating.

### BEST IN CLASS LAYOUT

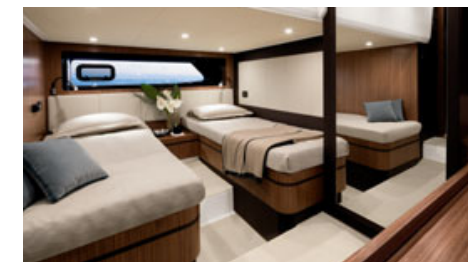

Two cabins, two heads with separate shower stalls and up to seven berths.

Could you ask for more? The Atlantis 43 is set to become the new benchmark in her class.

### FASHION AFLOAT

Excellence 'Made in Italy' aboard the new Atlantis 43.

With the option to specify top Italian designer fabrics to complete the interior in elegant style.

1. Huge hardtop (2.1m headroom) with electrically operated soft top.
2. Space for a tender up to 2.1m in the garage or up to 2.85m on the bathing platform (if no gangway).
3. Large, external galley with sink, bbq and fridge.

### FLEXIBLE LUXURY

AFT GUEST CABIN GIVES YOU TWIN, QUEEN OR EVEN THREE BERTHS.

Twin beds slide together to create a unique queen sized bed and, as if that weren't enough, there is the option to add a third bed to port if required.
